Welcome Summertime!

Summer 2013 is here! For those who do not use the Web site, we've included a summary of the posts from the off-season towards the end of this *SandscribeS*.

The summer season officially begins with our first **Sunday Pavilion Service**—which will be **July 7th**. Services begin at 10:00 AM, with a Social Hour at 11:00 AM. Included in this mailing is the [schedule of the ministers and cleaning crews](#). Another copy will be (or may have already been) hand delivered to all of the cottages. Please make note of the date you are scheduled to clean the Pavilion. If you trade dates, please notify Jack Corrigan. If you are willing to host one of the Social Hours, please contact Sharon Chidester.

The **Annual Membership Meeting** is scheduled for **August 3rd**. A proxy form and list of candidates for the Board of Trustees is included in this mailing as well. To streamline the Annual Meeting, we've once again compiled as many of the committee reports as we could ahead of time, and have posted them on the Web site for your advanced study.

Topics for the Annual Meeting: You'll note that in the May 18th, 2013 Board Minutes, the Board is requesting community input regarding the shed lost in last fall's storm. You may share your opinion at the Annual Meeting, contact any Board member with your input, or, if you'd like your comments shared with the community in advance, we'll post them on the Web Site under our "Community Dialog" section (send to hbadmin@heidelbergbeach.org). If you have any other agenda items you'd like to have discussed at the Annual Meeting, please contact Barbara Weber (secretary) for inclusion.

Finally, to officially kick off the season, we are trying something new regarding our usual reminders about neighborhood etiquette. You'll find another

sheet in this mailing which is a more [whimsical re-stating of our general neighborhood rules](#), along with a visual map. (The map has been a part of our New Member Orientation packet for a few years.)

Please, please, please, make sure your family and guests are well informed as to our practices here at Heidelberg Beach. Aside from adhering to the rules as a courtesy to your neighbors, we want everyone to have a safe and happy visit.

As a part of our neighborhood safety, we need to keep up our diligence about being watchful for trespassers. We need to be respectful of our neighboring properties to the east and west and not have our own family or guests stray off of our private property onto their private property. We also need to stop and inform those that come onto our beach from areas to the west or in through our roads that Heidelberg Beach is private property.

It is every member's duty to keep a watchful eye out—and every member's responsibility to act appropriately and with care when you see a situation. We need to look out for each other, keep the neighborhood safe, and share the responsibility of continuing to make Heidelberg Beach the community we've all been a part of, and loved for generations.

CCWW Project: Pavilion Reflection Essays

What does worship at Heidelberg Beach mean to you? Do you have special memories of worshipping with a loved one, participating in the HB Orchestra, or enjoying family events like baptisms? Please consider writing a short reflection (about 500 words) on your experience or memory. Our own Elizabeth Eshelman Moes, a writer by trade, will collect and edit these reflections into a booklet, which will be available at the last church service of

the summer. Please email your contribution to her at eaeshelman@gmail.com, drop it by 73 Indiana Road, or mail it to her at 80 Thurman Avenue, Columbus, OH 43206, **no later than Sunday, August 18, 2013**. Anyone who has attended a Heidelberg Beach worship service—guests, pastors, children, cottage owners—is encouraged to write a reflection. Please help spread the word about this project!

Thank you for Spring Work Day!

Thank you to those who helped us on Work Day! Special “thank you’s” go to:

- Harvey Foote for keeping up with the spring lawn mowing.
- Barb Tereshko for single-handedly putting on the pre-Work Day coffee hour and the post-Work Day potluck! We lucked out and were able to have an outdoor picnic at the Pavilion this year.
- Dr. Richard Henderson for the excellent job rehabilitating the Rt. 6 entrance signage.
- Roger Nehls for funding the mulch at the entrance, Dick Castele, John Macko, Cliff Glaviano and Jane Chidester for the vehicle caravans to get the mulch here, and to Barbara Chidester, Linda Glaviano, Jane Chidester and John Macko for doing the hard work of weeding and spreading the mulch.
- Jim Rohrbaugh for funding, hauling, and spreading all of the mulch on the promenade beds and at the red Heidelberg Beach sign.
- John Macko for excavating and re-setting the sun dial that had sunk a foot underground over the years—and to Barbara Chidester for funding and planting the perennial daylilies that now show off that area.
- The Corrigan brother crew, Scott Welch, and Dick Castele for getting the beach in order—the Brown property crew who removed the huge logs that washed ashore over the winter—and to Herb Foote for professionally raking and smoothing everything after they were done!
- Mark Hayman for his coordination and work in getting the electric feed for the Pavilion completely re-engineered and working again.

- Mark Hayman, Bill Hertzler, and Aaron Hamilton for “making the shed disappear.”
- Aaron & Jenny Hamilton’s energetic girls who washed benches and weeded.
- The Eshelman Family who have volunteered to rehabilitate and maintain the shuffleboard court area now and in the years to come!

Minutes: Minutes from the October 27, 2012 Board Meeting were not read.

- Final expenses for the year should be closer to the amount assessed to the Community

(\$44,800) than the approved budgeted amount (\$47,000).

- During the year we received contributions in memory of Rosalie Nehls, Paul Rohrbaugh and Jean Hertzler totaling \$4,435. These funds were used for the entrance landscaping, re-grading of the property south of Michigan Road and upgrading the electrical service to the pavilion.

- The following was discussed for inclusion on the agenda of the next Board meeting:
 - Barn replacement – Do we need a new Barn and, if so, for what purpose? We should get the opinions of the community. This question needs to be answered before we can determine the size, style and materials of the replacement.
 - Trees – We have lost a few trees this past year. Are we replacing them?
 - Annual meeting – August 3, 2013 is a convenient date for the five members present.

Next Board Meeting: A suggested date for the next Board meeting is June 29th at 10:00 AM at the Pavilion.

The meeting was adjourned at 2:09 PM.

Respectfully Submitted,
Dick Castele
